Through your generous donations, the collection for the weekend of September 22/23 was \$9,906 (Regular = \$8,162 + Faith Direct = \$1,744). Your commitment to St. Virgil's allows us to continue to support the programs, ministries and outreaches of our Parish.

Fr. Lance's Letter

Our Annual Parish Picnic last Sunday was enjoyed by all who came - children, adults and our seniors, too. This was a good time to meet with fellow parishioners, visitors and friends. There was plenty of food and dessert, fun and games for the children. Most of all, everyone took time to enjoy each other's company. We were about 125 people. It was pleasant, peaceful and sociable.

Our thanks and appreciation go to **Gloria Carvagno** (purchases, set-up and decor), **Nina Rangel** (for advertising and coordinating), **Knights of Columbus** (barbecuing), **Youth Ministry** and their parents, and **Choir** (set-up and clean-up), **Robert Lucia** (table set up), and **Jose Fernandez** (table break down and clean up).

It is in such gatherings that we also discover God's presence and grace. Thank God for all the fun and laughter, the good time we had, for the special personally prepared foods and desserts, and especially for coming together and wanting to be a great parish family. May our Lord and our Blessed Mother bless and protect us always - *Fr. Lance*

OPEN FORUM

Concerns about the recent Pennsylvania Grand Jury Report (8/18/18) and many other reports, statements, editorials, it would be beneficial for us at St. Virgil to have a "conversation" regarding this subject.

I invite all parishioners to come to an "Open Forum" this Sunday afternoon, at 4:00 PM in our School Gym. You will have the opportunity to listen, speak, ask questions and suggest what we at St. Virgil Parish can do. There are many among us who have been greatly disturbed, rightfully angered, sorely discouraged and bitterly confused. Yet, such an opportunity is a way of gathering together and seeking ways of change, improvement and security for our children and our community. All are welcome to our Open Forum, Sunday September 30, at 4:00 PM in our School Gym. -- *Fr. Lance*

Parish Postings

A very special thank you to **Kathy Schultz**. Kathy has donated a Japanese Stewartia in loving memory of her dear husband, **Jack Schultz**. I'm sure many of you remember Jack, a long-time parishioner. Jack was an extraordinary minister and Knight (to mention just two of the ministries Jack participated in) who spent his retirement years serving as the week day sacristan here at St. Virgil's. This lovely tree with camelia-like white blooms during the July and August with bronzy purple foliage in the fall will be a stunning tribute to faithful and devoted parishioner. Thank you, Kathy.

Prime Time

Many thanks to all the Prime Timers who were together last Friday at our first meeting of the year. Fr. Lance blessed us well and got us off to a grand start. I heard from many of you that you enjoyed our speaker, Judy Bortman from TransOptions, and her timely tips for our safety - both while walking and driving.

If you have not yet turned in your \$15 check for membership dues for the current year, please get it to Jeanne McGuinness, 18 Central Avenue, Morris Plains, NJ 07950, as soon as possible, as we would like to have our membership list ready to hand out at our next meeting. That list is a great way to stay in touch with all our Prime Time friends between meetings, but if your name is not listed, we cannot contact you.

We look forward to seeing all of you again at our October 19 meeting, 1 PM in the Tracy Center. Look in this spot for more information about the coming program for the month. Any questions? Please call me, Kathy Sisler 973-538-1379.

PROTECT VIABLE BABIES

Did you know that in New Jersey, abortion is legal throughout all 9 months of pregnancy and that late term abortions are routinely destroying viable babies?

These viable children in the womb deserve to be protected by the law in New Jersey!

TAKE ACTION NOW!

- 1 Sign up today and tell your own NJ State Senator and your NJ Assembly Member to support the "Pain Capable Unborn Child Protection Act" (Bill A-1688/S-537).
- 2 Call or "baby boot" support for your own "Pain Capable Unborn Child Protection Act" legislation. It will consider how to help your own state.
- 3 Join the 3000+ thousands of people who support the "Pain Capable Unborn Child Protection Act" in person today or be a voice by contacting us here on the internet site.

Abortion hurts, but there's hope and healing. Visit beckhoffregister.org

Your registration in time slots during clinic hours is much preferred and far more likely to save an unborn baby. When YOU sign up YOU make it possible to cover ALL 40 clinic hours!

A postcard campaign to our legislators will be conducted that same weekend.

As you already know, we are joining others throughout New Jersey in an effort to the support and sponsorship of Bill—A-1686-S 537 passed. Stand up and flyers explaining the project are at each church entrance. Seventeen (17) other states have passed the "Pain Capable" bill. **We need to do this in New Jersey!!**

Post cards, like this sample, will be available the weekend of October 6 & 7.

Dear Assembly Member _____,

In New Jersey, abortion is legal for any reason throughout **all nine months of pregnancy**. Given proper neonatal care, babies born at 20 weeks can survive and they deserve protection.

I am writing for your support and sponsorship of Bill A-1688/S-537, the "Pain Capable Unborn Child Protection Act" which would protect babies in the womb at 20 weeks (5 months) gestational age and beyond.

Sincerely,

2018 Bishop's Annual Appeal Here I Am, Lord!

One of the benefits of giving to our Bishop's Annual Appeal is the knowledge that the funds support important needs in Morris, Passaic and Sussex Counties. This local connection means that you may be helping your next-door neighbor, your co-worker, the store owner you see each day as you shop in your community—perhaps even a family member. In this context, when you give to the Bishop's Annual Appeal, you truly say: *Here I Am, Lord—making a better life for my brothers and sisters in the area.* Please consider making a pledge today.

Weekly Reflections

“How to do it” Corner

There is now a Lending Library by the Hanover door of the church. Check it out and if you don't find anything interesting, check out the other entrances. Different racks have different books. There are also free copies of the CD “Seven Reasons to be Catholic”; perhaps you might be listening to it when your children are home and they will want to listen to it too. Or try one of the many CS's in the CD Rack near the confessional booth—parking lot side of the church.

We need to strengthen the things that remain, remain in us, and hopefully, still remain in our children.

TWENTY-SIXTH SUNDAY IN ORDINARY TIME

Mark 9: 38-43,45,47-48

In this reading, Mark still has Christ moving quickly from one town to another, teaching constantly as He goes from one place to the next. He calls Christ “Teacher” again, as Mark has done repeatedly. Christ’s “students”, His apostles, were asking Him questions, as any good students do. Christ replied to John’s remarks about someone (not one of their group) who had performed miracles in the name of Christ. Christ replied “...whomever is not against us is for us.” This passage informs us that what matters most to Christ is the Kingdom, not the group to which a man belongs; *i.e.*, there is no “in” group for Christ. For Christ said, “Anyone who gives you a cup of water to drink because you belong to Christ, amen, I say to you, will surely not lose his reward.” It is our actions, our dedication, that matters to Him.

Christ then told us that, of all the things that matter, the one thing we need to pay attention to most is staying away from sin, or causing others to sin, if we are to enter the Kingdom of God. Again, Christ made a reference to children, whom always are relevant, especially today: “Whoever causes one of these little ones who believe in me to sin, it would be better for him if a great millstone were put around his neck and he were thrown into the sea.” Thus, nothing matters more than attention to the Kingdom of God, which is our reward, and which should be our goal.

Here, again, Mark did not equivocate. He told us exactly what we need to hear and know: not to sin, and to stay away from “Gehenna.” It seems clear from this passage that Christ was speaking of a Gehenna as a place of suffering. It is often stated by theologians that because of these direct comments, we cannot deny the existence of Gehenna (a term we use for hell), although we have no evidence that anyone has ever been sent there.

We must have hope that the justice of God will be overcome by the mercy of God.

God have mercy on us all. Help us to focus on the Kingdom of God, and what we have to do to attain it, i.e., avoid sin and protect our “little ones.” Teacher, help us to stay away from sin!

EVANGELIZATION CORNER

As mentioned in last week’s column, **Direct Approach Evangelization** is just starting a conversation for the purpose of sharing the gospel with anyone who is willing to listen. It is connecting with people to share Jesus. However, for some reason we Catholics don’t talk much about Jesus; we tend to be more private about our faith.

While we may often share where the best restaurants are, which books or authors we like or the best places to go on vacation we seldom talk about our faith. Yes, we may discuss our beliefs and opinions regarding abortion, contraception, same-sex marriage, pornography, the priesthood, liberalism and social injustice or faith, there is seldom, if any, plain personal talk about Jesus.

If you are someone who likes talking to people and have a good understanding of Catholic teachings, then The Direct Approach to evangelize may appeal to you as a way for you to spread the Good News of the gospel--news of Jesus.

There are many ways to start a conversation. The easiest way is to just say hello to someone and introduce yourself. If the other person responds go on to ask what they do. The most important thing is to listen to them talk. When, and if, they ask you about yourself answer the question and have something prepared to bring the fact that you are Catholic into the conversation; to use this opportunity to share the Good News that Jesus died and rose again, so we can be reconciled to God. But don’t push or steer the conversation in that direction. Listen carefully to the questions they ask, then try and uncover the question behind that question. If that develops more questions to you, continue, if they veer off or want to stop let it go.

It’s important to remember that “communication can touch people’s hearts only if we listen to them and engage with their questions.” The important thing is that you not to begin planning your next statement but, to LISTEN. Chat about everyday life and share Jesus. Remember you can only plant seeds, only the Holy Spirit can bring it to fruit. However, if they mention problems they have, by all means you can offer to pray for them.

Try to see every person you meet as a potential conversation partner.

Finally, remember to pray for the Lord’s guidance and success for without prayer your efforts may be just a waste of time.

May His grace be with each of us as we continue on our journey with Jesus.
